Now even holiday home in Farmhouse

In an area of restocking wildlife – products from the orchard - olive grove - woods

Our Farmhouse is the ideal place for the country and nature lovers, where you can enjoy moments of relax and well-being feelings.

In the estate you can horse riding, bike riding and having a walk through the colours of the wood, tasting the authentic breakfast of the countryman under the branches of a centuries-old oak or the typical "bruschetta" with fresh oil in front of the chimney in the old cowshed in authentic Tuscany's stone.

Our guests can choose whether sleeping in the "granny's room" or in the apartments with useful furniture, antiques and modern ones.

The Farm "Noce Torta" is spread over an hilly area 40 hectares wide, where you can enjoy a wonderful sight of lakes, mountains and medieval country towns. The estate is a protected area where pheasants, hares, fallow-deer and wild-boar live free and where we keep ostriches. In "Noce Torta" two rivers flows through the wood, easily reachable by old paths. Vines of Chianti D.O.C.G. ages old olive trees D.O.P. surrounded by fruit trees, green fields and by the wood.
